

Important repair work to the High Street

Please be aware that Essex Highways are performing some night work to repair and improve the pavement on the High Street.

Work started on Monday 20th July and is estimated to take about 12 weeks to complete.

All repair works will be done at night from 7pm to 6am, in sections, moving quickly along the street. Noisiest work will be completed before 11:30pm.

Access to the hotel will remain available throughout the works. Thank you for your patience and understanding.

For any concerns, please contact reception:
